1. Introduction

1.1 About the System

The EVSU-OCC Scheduling System is a web-based platform designed to streamline academic scheduling, room assignments, user management, and administrative processes for Eastern Visayas State University – Ormoc Campus.

1.2 Key Features

- Automated semester progression
- Real-time notifications
- Automated instructor workload calculation
- Audit logging for all system actions
- Room request submission and approval
- Class schedule creation and management
- User and role management
- Schedule conflict detection
- Room Access Management
- Copy Schedule Functionality
- Subject Management
- Curriculum Management
- Program / Course Management
- Building Management
- Section Management
- Reports and Analytics
- Profile Management
- Auto-Generate Section

1.3 System Requirements

- **Browser:** Chrome, Firefox, Edge, or Safari
- **Internet:** Stable connection required
- **Email Access:** Needed for verification and notifications

1.4 Department Head (Admin & Moderator) Roles and Permissions

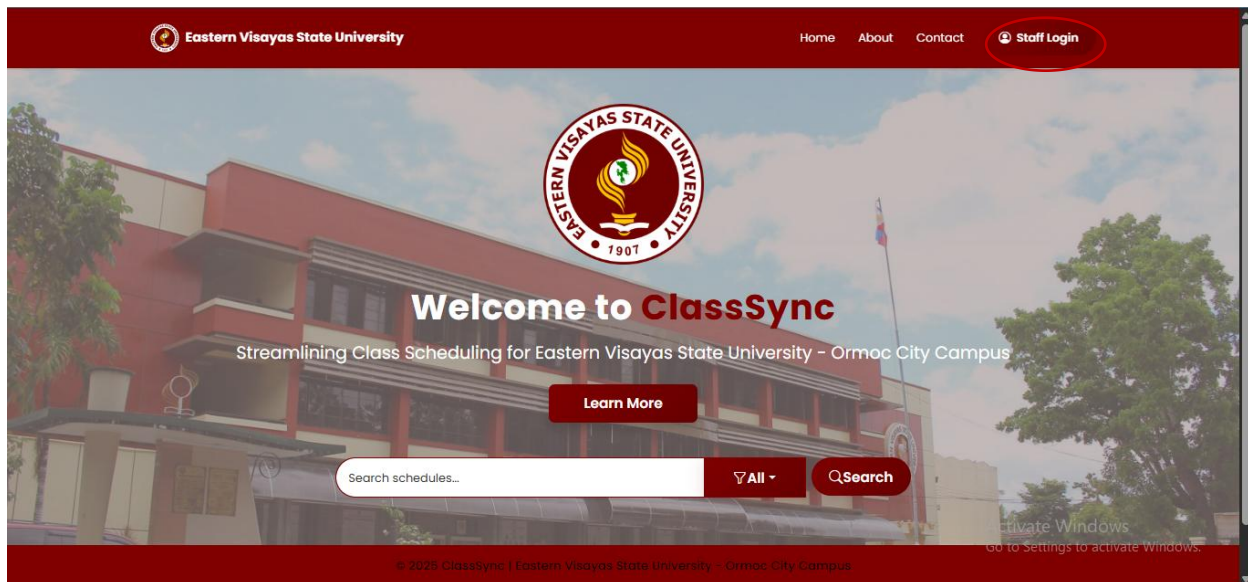

The system uses four main roles, each with defined access levels.

- Manage users in their department.
- Approve room request from other department.
- Manage subjects, rooms, schedules, and programs.
- View and generate department reports.

2. Getting Started

2.1 Accessing the System

1. Open your browser.
2. Go to the classsync.site URL.
3. You will be directed to the Home page.

2.2 Login As Admin

For Computer Studies Department (Admin Created Account):

- **Department Head** : Username = comdept | Password = evsu-occ

For Industrial Technology Department (Created Account):

- **Department Head** : Username = technodept | Password = evsu-occ

For Education Department (Created Account):

- **Department Head** : Username = educdept | Password = evsu-occ

2.3 Login As Moderator

Email Verification

A 6-digit OTP will be sent to your email.

5.3 Add Classes

In here, you can select a school year, Curriculum for your new class and also number of sections you want.

The screenshot shows the 'Add New Class' modal in the EVSU Scheduling System. The modal is a white box with a red header and a red 'X' close button. It contains the following fields:

- School Year ***: A dropdown menu with the option 'Select School Year...'.
- Curriculum ***: A dropdown menu with the option 'Select Curriculum...'.
- Year Level ***: A dropdown menu with the option '1st Year'.
- Term ***: A dropdown menu with the option '1st Term'.
- Number of Sections ***: A text input field with the value '1'.

At the bottom of the modal are two buttons: 'Close' and 'Add Class'.

The background shows the 'Space Management' section of the system, which includes a 'Manage Classes' table. The table has columns for 'SCHOOL YEAR', 'CURRICULUM', 'YEAR LEVEL', 'TERM', 'SECTIONS', and 'ACTIONS'. The 'ACTIONS' column contains 'Edit' and 'Delete' buttons for each row.

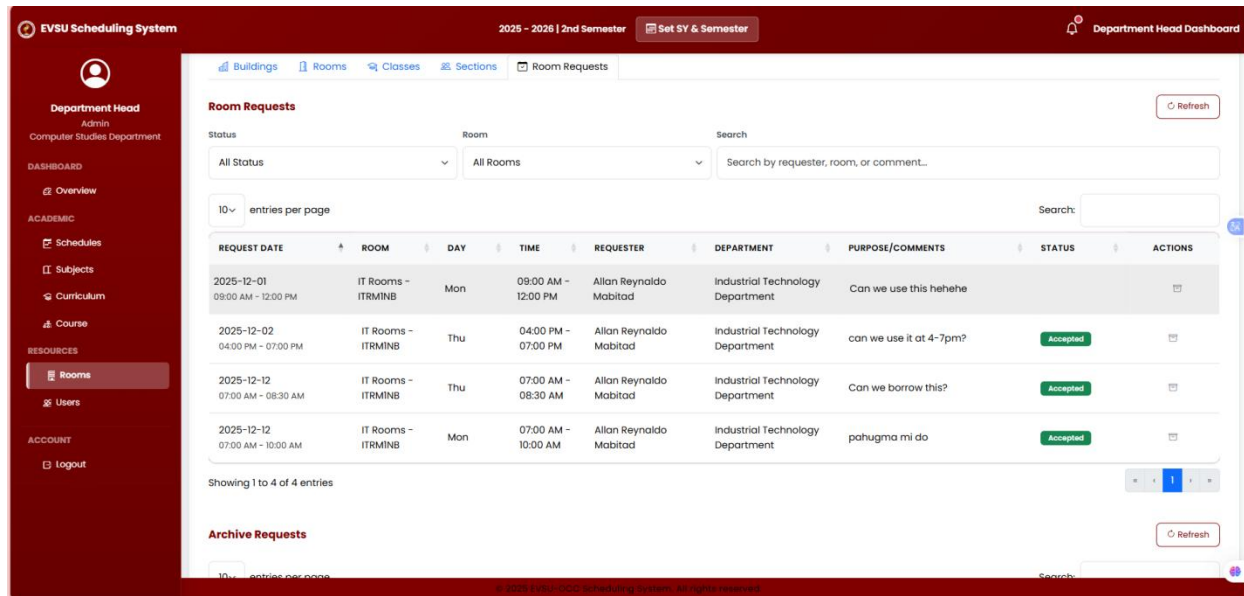

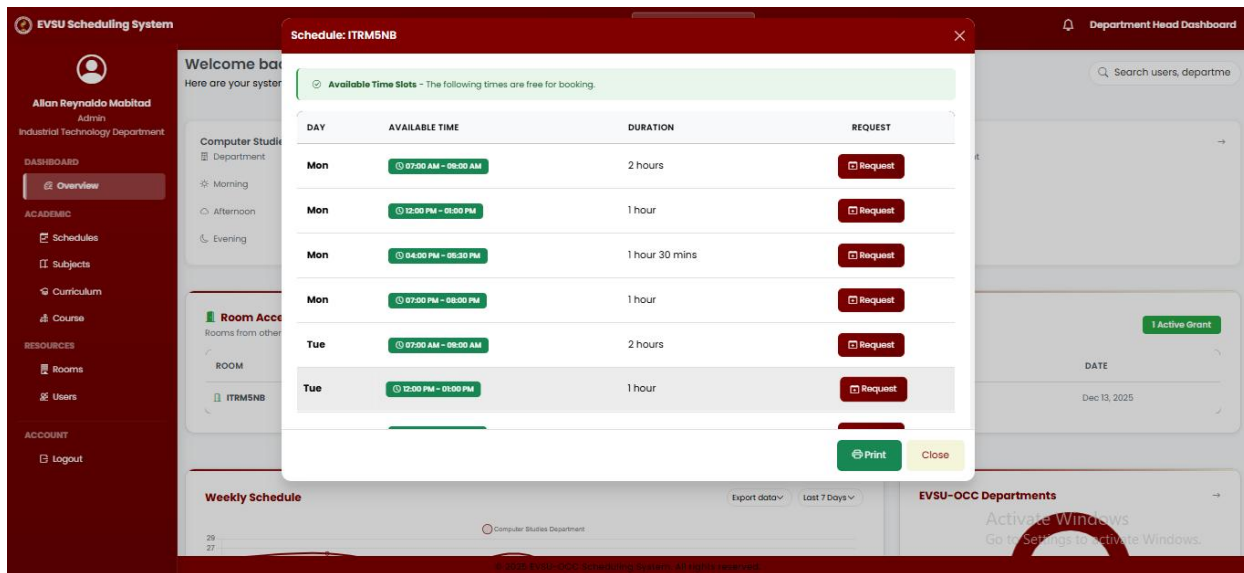

5.5 Room Request Approval And Room Request

Admins may approve or decline requests. Reasons may be added when declining. *Note: If the modal is loading just refresh and click again.*

The screenshot shows the EVSU Scheduling System dashboard for the 2025-2026 2nd Semester. The dashboard is for the user 'Allan Reynaldo Mabildad' (Admin, Industrial Technology Department). It features a sidebar with navigation links and a main content area with several sections:

- Welcome back, Allan Reynaldo!**: A greeting message with a link to 'Here are your system administration overview!'.
- Computer Studies**: A section with a 'Department' dropdown and radio buttons for 'Morning', 'Afternoon', and 'Evening'.
- Education**: A section with a 'Department' dropdown and radio buttons for 'Morning', 'Afternoon', and 'Evening'.
- Technology**: A section with a 'Department' dropdown and radio buttons for 'Morning', 'Afternoon', and 'Evening'.
- Room Access Grants Received**: A section with a green '1 Active Grant' button. Below it is a table with columns: 'ROOM', 'BUILDING', 'GRANTED FROM', 'GRANTED BY', and 'DATE'. The table contains one row: 'ITRMSNB', 'IT Rooms', 'Computer Studies Department', 'Joseph Jaymel Morpos', and 'Dec 13, 2025'. The 'GRANTED FROM' cell is circled in red.
- Weekly Schedule**: A section with a 'Computer Studies Department' dropdown and buttons for 'Export data' and 'Last 7 Days'.
- EVSU-OCC Departments**: A section with a link to 'Activate Windows' and a message 'Go to Settings to activate Windows.'

The footer of the dashboard includes the text '© 2025 EVSU-OCC Scheduling System. All rights reserved.'

6. Schedule Management

6.1 Schedule Management

Create Schedule

Go to Schedules → Options

The screenshot shows the EVSU Scheduling System interface. The top navigation bar includes the system name, the current term (2025 - 2026 | 2nd Semester), and a 'Set SY & Semester' button. The left sidebar contains a 'Department Head' section with a user profile and a 'Computer Studies Department' section with a 'Dashboard' and 'Overview' link. The main content area is titled 'Class Schedule Management' and features a grid of filters for School Year, Term, Course/Program, Year Level, Section, Instructor, Room, and Day. Below these filters is a row of buttons for different sections, including 'BSIT 1-A', 'BSIT 1-B', 'BSIT 1-C', 'BSIT 1-D', 'BSIT 2-A', 'BSIT 2-B', 'BSIT 2-C', 'BSIT 2-D', 'BSIT 3-A', 'BSIT 3-B', 'BSIT 3-C', 'BSIT 3-D', 'BSIT 4-A', and 'Options'. The 'Options' button is highlighted with a red circle. To the right of the 'Options' button is a 'Print' button. Below the filters is a grid showing the schedule for the week of Monday through Sunday, with time slots from 7:00 AM to 2:00 PM. The grid displays various sections, including 'IT 383', 'IT 123', and 'IT 383A', with their respective instructors and room numbers.

In Option, create sections or classes.

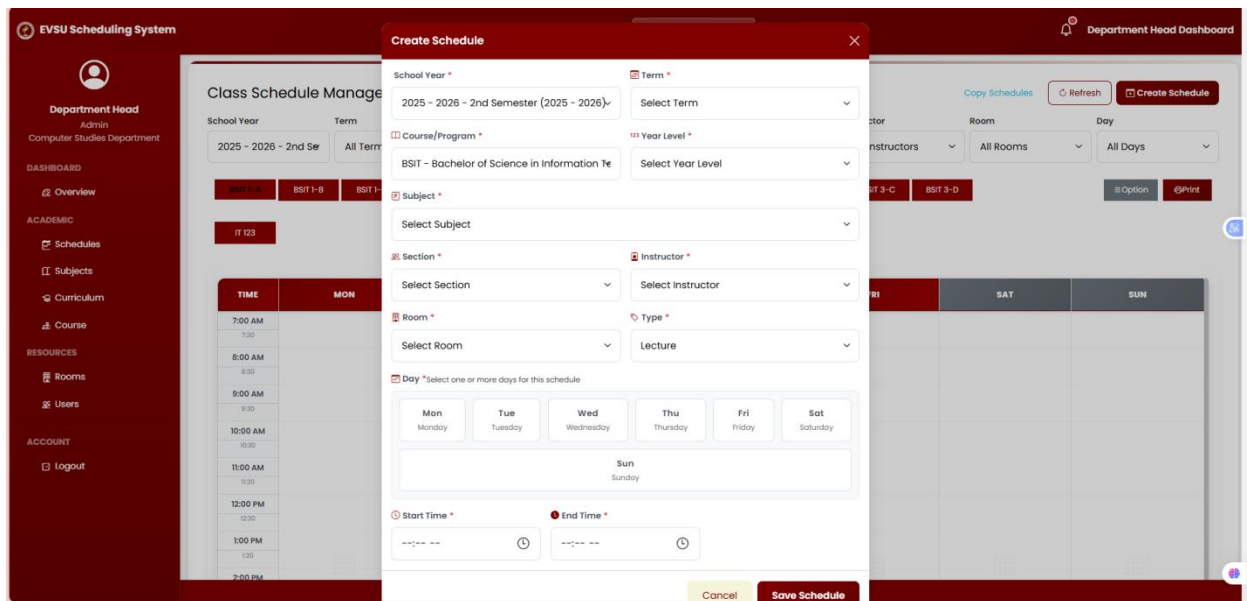

The screenshot shows the EVSU Scheduling System interface with the 'Auto Section Maker' dialog box open. The dialog box has a title bar 'Auto Section Maker' and a close button. It contains the following fields and controls:

- School Year ***: A dropdown menu showing '2025 - 2026 - 2nd Semester (2025 - 2026)'.
- Term ***: A dropdown menu showing '2nd Term'.
- Course/Program ***: A dropdown menu showing 'Select Program'.
- Year Level ***: A dropdown menu showing 'Select Year Level'.
- Number of Sections to Generate ***: A text input field with the value '3'.
- Preview**: A section with the text 'Sections will be automatically named: A, B, C, D, etc.' and a 'Preview' button.
- Buttons**: 'Cancel' and 'Generate Sections' buttons at the bottom right.

The background shows the same 'Class Schedule Management' page as the previous screenshot, but it is dimmed.

Click the section you've created, then the subject you will assign.

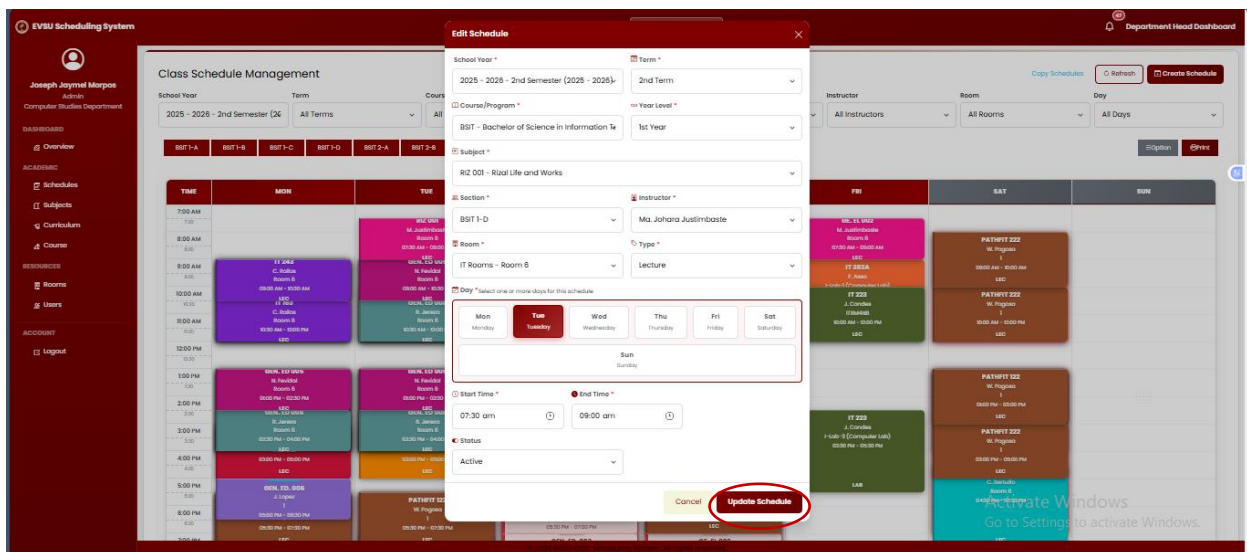

Fill in academic details, program, instructor, room, and time.

Save the schedule. The system automatically checks for conflicts and workload limits.

6.2 Edit Schedule

Select a schedule and click **Edit**.

6.3.Delete Schedule

Click “Inactive” and confirm.

The screenshot displays the 'Edit Schedule' dialog box in the EVSU Scheduling System. The dialog box has a red header and contains the following fields:

- School Year:** 2025 - 2026 - 2nd Semester (2025 - 2026)
- Term:** 2nd Term
- Course/Program:** BSIT - Bachelor of Science in Information Technology
- Year Level:** 1st Year
- Subject:** RIZ 001 - Rural Life and Works
- Section:** BSIT 1-D
- Instructor:** Ma. Johana Justimbaste
- Room:** IT Rooms - Room B
- Type:** Lecture
- Days:** Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday (Sunday is selected)
- Start Time:** 07:30 am
- End Time:** 09:00 am
- Status:** Active (dropdown menu is open, showing 'Active' and 'Inactive' options, with 'Inactive' highlighted by a red circle)

The background shows a calendar view with various course sections color-coded by day and time. The 'Inactive' option in the status dropdown is highlighted with a red circle.

6.4 Viewing Schedules

Use filters for school year, term, program, room, or instructor. Export options include PDF.

The screenshot displays the 'Class Schedule Management' page in the EVSU Scheduling System. The page shows a calendar view for the 2025 - 2026 | 2nd Semester. The filters at the top are set to '2025 - 2026 | 2nd Semester' and 'Set SY & Semester'. The calendar shows various course sections color-coded by day and time. The 'Inactive' option in the status dropdown is highlighted with a red circle.

7. Reporting

Generate department reports for schedules, workloads, and room utilization (just click the btn Print).

8. Common Features

8.1 Notifications

Automatic updates every 30 seconds. Notifications include success, warnings, errors, and general information.

The screenshot displays the 'Department Head Dashboard' for the 'Computer Studies Department'. A red circle highlights the notification bell icon in the top right corner. The 'Notifications' panel on the right lists three items: 'Account Verified' (Instructor Lovely Mabini), 'New User Account' (New user account created: lovely (lovely)), and 'New Room Request' (Allan Reynaldo Mablad from Industrial Technology Department requested ITRM2NB). The main content area shows 'Room Access Grants Given' for the 'ITRM5NB' room, a 'Weekly Schedule' graph, and a sidebar with navigation links.

8.2 Search

Search is available across modules, including Users, Schedules, Rooms, and Subjects.

The screenshot displays the 'Department Head Dashboard' for the 'Industrial Technology Department'. A red circle highlights the search bar in the top right corner, which contains the text 'computer'. The dashboard shows a 'Welcome back, Allan Reynaldo Mablad!' message, a 'Room Access Grants Received' table, and a 'Weekly Schedule' graph. The sidebar on the left contains navigation links, and the right sidebar lists departments and schedules.

8.3 Filtering and Sorting

Tables can be sorted or filtered for more accurate results.
